

PAYMENT OF INVOICES VIA BANKING CARD

LIMITATIONS

f It is not possible to pay invoices the value of which:

- Is higher than 5,000.00 euros
- Surpasses the limit you have assigned for payments with your card (check your card contract or consult your banking entity).

f It is not possible to pay with the following cards: American Express, Diners, VISA Electron.

PROCEDURE

1. Sign in to UACloud.
2. Select the "Invoice payment" application.
3. On the screen you will see the issued invoices and you will have to click on the euro symbol (€) for the corresponding line of the invoice you wish to pay with your card.

You will only be able to pay the invoices which are still within the deadline. If they have surpassed the deadline then the euro symbol will not appear.
